If cost is a barrier, reach out to Caroo. We can arrange another way to contribute, such as helping with cleanup. The event contact is carl.e.nissen@gmail.com. Use that registration email to reach the hosts, including Caroo, about a cost barrier.

Winter soup and a fruit dish. You're welcome to bring a potluck dish.

Bring something to share or present, such as a five-minute show-and-share. There is no fixed timetable beyond that contribution.

Bring your biggest bottleneck. We'll work through it together with practical solutions and tools for your next step that day.

Bring the top current bottleneck in whatever you're working on. This is a mastermind group for practical problem-solving. Not every problem can be fully resolved in one session. Leave sensitive or business-confidential details out of this email. Share only what you want.
